A Message from your Co-Presidents

Bonjour! Guten Tag!

From Co-Presidents Doug & Betty Stein

The York Twinning Association had an exciting summer! From June 24th through July 2nd twenty-two members represented YTA during a fun exchange to Leinfelden-Echterdingen (LE), Germany. YTA celebrated Bastille Day on July 13th with a summer social attended by twenty seven YTA members. YTA also awarded scholarships to two York College students involved in their French and German language programs. (Photos and article on page 8)

Fall 2025 continues to be a busy time for our organization. Both French and German student exchange chairs are in the process of planning for 2026 summer and fall student exchanges. French adult exchange co-chairs are also holding meetings and making plans for the adult Arlesian visit next summer.

YTA will hold its next meeting October 15th, starting at 6:30 PM, in the Loucks Room at the York YMCA. After a brief business meeting members will have a chance to share memories and photos of our wonderful adult exchange trip to Germany.

Hope to see you there!

BASTILLE DAY CELEBRATION!

27 York Twinning Association members celebrated our French connection during a July 13, 2025 Bastille Day cookout and swim picnic. Everyone had a great time socializing, eating wonderful food, drinking wine, and sharing stories about YTA adventures.

WHAT'S YOUR STORY ???

How have you been involved with YTA? Did you travel to Arles or Leinfelden-Echterdingen? Were you a host for visitors during one of our exchanges? Maybe you attended or volunteered during one of our events. Maybe you still maintain close relationships with friends you met through YTA. By sharing photos and stories we hope to rebuild relationships, reconnect with friends with whom we may have lost contact, and encourage others to join our association. Please consider sending us your photos and memories to share in future issues of Tete. Send information to:

A Life Changing Experience! Submitted by Renee Brown

Twenty-five years ago, I was 16, newly licensed, and playing Bon Jovi's "It's My Life" on repeat in my car. I decided it was going to be a great summer; it was now or never! So, just over 25 years ago was when I walked into the interview room with a York Twinning representative. "*J'ai mal à la gorge*," I remember apologizing. The conversation went better than expected, and I was accepted to live with a French family near Arles for three weeks, after which I would host the French student in return.

My French sister Pauline, her best friend Eva, and me with another YTA student named Rachel.

Looking back at the pictures I took while abroad and what I wrote in scrapbooks about those six weeks with my host sister Pauline, I truly believe being part of York Twinning changed my life. I was a shy, quiet teenager who didn't recognize her own abilities. I wasn't even expecting to be accepted to the program, but in the end, I was placed with a completely non-English-speaking family, and both my French and confidence flourished.

That summer of 2000, seven of us flew to the south of France. We met occasionally for group experiences, but the bulk of my time was in a small village in Provence, called Mouriès, with the Villard family, whom I adored from the moment I met them. On the drive home they chatted to me at lightning speed about the cicadas – a word I had definitely *not* learned in my high school French class. We did the historical and cultural highlights: seeing a bull fight in the Arles arena that (to me) looked exactly like the Colosseum, swimming

Bastille Day celebrations in Mouriès.

in the Mediterranean Sea, touring the Palais des Pape in Avignon, and visiting ruins of a chateau – Les Baux de Provence.

Arles, the Villard family, and York Twinning truly hold a special place in my heart for more than those bucket list items. It was moments with the people there, moments that I never even thought to put on a bucket list, that impacted me the most. Twenty-five years later, I still vividly recall being in a pub to watch France eke out a victorious golden goal over Italy during the European Championships (Euro Cup) that summer in 2000; the entire pub erupted and sang Aretha Franklin's "I Will Survive." I will never forget being in a car and understanding my first joke in French; it was a pun on the word Roquefort and the French word for loud - fort. I still tell the story of how we were watching bulls run through the tiny streets of Mouriès on Bastille Day – mainly because one of the bulls ended up stuck in a fence and nearly killed us. Thankfully, everyone, including the bull, was safe in the end. I remember sitting in a village square at a town fête with my new French friends thinking to myself, *how can it get better?*

When Pauline flew back to America with me, we reciprocated experiences as best we could with trips to the beach and Washington, DC. She kept telling us that she wanted to "drink a tea with Hillary Clinton," who was First Lady at that time.

My French sister Pauline at the White House looking for Hillary Clinton.

What York Twinning offered me wasn't just a chance to learn French or see a new place. It offered me a chance to learn who I was, to learn what I was capable of, to meet people who would change me for the better, to find that I wanted to travel more because I could do what had seemed too big for someone from a small town in southeastern Pennsylvania. The next summer, I would return to Mouriès, on my own, and stay another week with the *famille Villard*. I would choose to continue my French language education through college, earning a minor and going abroad for another summer to study in Nancy, France. The courage I gained and what I learned about myself during those three weeks with York Twinning rippled into other adventures. I learned I was capable of more, and *that* courage and confidence eventually led me to a semester abroad in the UK during college where I met my now-husband.

Getting on a plane at age 16 without anyone I knew, flying to a country where I spoke the language on an elementary level, and going home with people I had never even seen pictures of was one of the best decisions I ever made. I can't hear Bon Jovi's song without smelling the lavender, hearing the cicadas, and thinking of how lucky I was to have had that time in Provence. It was a great summer and helped me take the next step toward a great future.

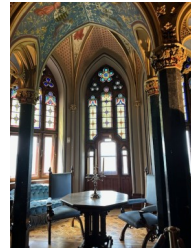

A FANTASTIC EXCHANGE!

YTA Adult Exchange to Leinfelden-Echterdingen (LE), Germany

June 25th to July 2nd

Twenty-two YTA members arrived in LE on June 25, 2025, and began a week long exchange filled with fun and exciting adventures organized by our gracious hosts and members of the LE-York Club.

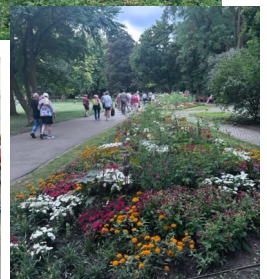

Our adventures began the next morning with a trip to Hohenzollern Castle. This beautiful building is the third of three castles built at the top of Mount Hohenzollern. The first was destroyed during a war in 1423. The second was demolished after falling into disrepair at the beginning of the 19th Century. Following a self-guided tour through the castle members enjoyed lunch in the biergarten before heading to visit the town of Tübingen.

We took a walking tour then were treated to a ride down the Neckar River on a flat-bottomed boat called Stocherkahn. YTA member Elijah Henning even had a chance to be a punter and push our boat up the river. The day ended with an early dinner along the river.

June 27th began with a lovely reception hosted by Mayor Otto Rupanner on the lawn of Leinfelden City Hall. We next took a train to Stuttgart and did a walking tour of the area before enjoying lunch at Kursall. Lunch was followed by a tour of the Daimler-Gewachshaus where we saw the world's first motorcycle invented by Gottlieb Daimler. We then walked through a park with a mineral spring and stopped outside an English church before boarding a train back to Leinfelden. Doug Stein even saw a sticker in the park that said I Love PSU!

A FANTASTIC EXCHANGE! (continued)

The rest of the evening was spent enjoying the 50th anniversary celebration of Leinfelden-Echterdingen. Mayor Ruppaner started off the event by tapping a keg and giving a big cheer to everyone in attendance. It was a great time for food, fun, and friendship. Steins even got to meet up with Leon, a student who participated in the 2024 student LE-York exchange program. The celebration continued late into the evening with both traditional German and American music by performing German artists!

YTA members spent the weekend visiting a variety of places with our host families. Some members visited the city of Heidelberg. Others visited Fernsehturm Stuttgart, the world's first telecommunications tower in the world constructed from concrete. Some went to the Mercedes-Benz Museum where they got to see a Pope Mobile while others visited the Porsche Museum with interactive exhibits and a collection of famous race cars. Others visited a flower market, did some shopping and met with some other families for dinner before going back to enjoy more time at the 50th anniversary celebration!

June 30th the group was taken to see Lampoldshausen German Aerospace Center. A tour guide told us the history of European space flight, space propulsion systems, and on-going research to evaluate and test new, environmentally friendly fuels. After lunch we were taken to the medieval town of Bad Wimpfen where we went on a guided tour and walked on cobblestone roads viewing various half-timbered homes along the way. The views from Bad Wimpfen's palace were fantastic.

A FANTASTIC EXCHANGE! (continued)

On the last day of our exchange we took a guided tour of the city of Esslingen. A historic old town along the Neckar River near Stuttgart, it has many old half-timbered homes and churches of different styles. One church has a walkway built between two towers to provide support. The Old Town Hall is a beautiful building that has a glockenspiel, astronomical clock, that plays several times every day except Sunday. Another interesting building is a 13th century gate tower once used to defend the city. It is now decorated with a hanging sculpture by artist Hubert von der Goltz, of what looks like a man walking on a tight rope. There is now an ice cream shop on the ground floor.

Later in the day we toured the Kessler Wine cellar. Kessler was established over 200 years ago and is Germany's oldest sparkling wine producer. After learning about its history and a short tour, we were treated to some delicious samples.

We made a mad dash in the rain to catch our train back to LE before attending a wonderful farewell dinner with our host families and LE-York Club members. It was great to have the whole group back together and share stories about our many adventures.

July 2nd our exchange trip came to an end. There were lots of hugs, and some tears, as we said auf Wiedersehen to both old and new friends from Leinfelden-Echterdingen. Thank you LE-York Club for a fantastic exchange experience. We look forward to continuing and growing our friendships in years to come!

Winners of YTA Scholarships

Due to changes in both the Arles and LE student exchange administrators and their exchange requirements, we did not have any students representing YTA travel on student exchanges to Arles, France or Leinfelden-Echterdingen, Germany this summer.

York College has worked closely with YTA in past years to allow our exchange students to experience what a day is like at an American College campus. For that reason it was decided to award scholarships to deserving York College students who excel in their foreign language classes.

YTA congratulates York College students, Dylan Martin and Angelina Wilson. At the recommendation of Dr. Mary Boldt, Associate Professor of Language and Literature at York College of PA, they were chosen to each be a recipient of a \$600.00 YTA scholarship for the 2025-2026 school year.

Dylan will be a Junior this year. He is a Creative Industries and Entrepreneur major with a minor in German. In the past two years he has served as a volunteer giving tours of York College to groups of German students visiting York during YTA exchanges. Due to a prior commitment Dylan was unable to attend our August YTA meeting but did submit a wonderful video introducing himself and thanking our organization for the scholarship award. Angelina will be a Sophomore this year. She is majoring in Professional Writing with a minor in French and Marketing. Angelina attended the August YTA Board meeting. Prior to receiving her certificate of scholarship award she spoke about her college experiences and goals. Both students plan to continue their involvement with York Twinning Association. YTA wishes them well in their studies and looks forward to seeing them at upcoming YTA events. Dr. Mary Boldt also attended and spoke highly of both students. We appreciate her assisting YTA to identify these deserving students.

A summer visit with Alicai and Marie-France Espinat

For almost two weeks in July, Marie-France and Alicia Espinat from the Arles-York Committee were hosted by Hank and Michele Groat during their visit to York. On days when Hank and Michele were at work, Marie-France and Alicia were taken on day trips to several places by YTA members and friends. They were able to visit historic York, Harrisburg, Gettysburg, the Amish House in Lancaster and even got to meet the Marquis de Lafayette during his Bicentennial Farewell tour! They also had fun meeting YTA members at a picnic dinner, visiting Indian Steps, dancing in the ballroom of the Yorktowne, and attending a baseball game at the York Revolutions ball field. YTA looks forward to working with Marie-France and Alicia to make plans for upcoming 2026 French student and French adult exchanges.

Besuch aus Übersee: Gäste aus York in LE

LE bekam vergangenen Freitag Besuch aus Übersee – 22 Erwachsene aus der Partnerstadt York in Pennsylvania. Organisiert wurde der Besuch vom York-Club e.V. Auf dem vielfältigen Programm standen unter anderem ein Besuch in Tübingen, der Burg Ho-

henzollern und natürlich auch im Rathaus in Leinfelden. Für die 45-jährige Partnerschaft und die transatlantische Beziehung ist Oberbürgermeister Otto Ruppaner dankbar: „Man erfährt etwas über andere Kulturen, lernt sich gegenseitig kennen und unterstützen. Es ist großartig, dass es diese Beziehung und den Austausch der Schüler, aber auch Erwachsenen schon so lange gibt. Es ist gut in politischer Hinsicht, aber auch auf bürgerlicher Ebene.“ Ein besonderer Gast, der dies bestätigt, ist Michael Helfrich – der erste Yorker Bürgermeister, der nach LE kam. „Wir sind Freunde, unsere Partnerschaft ist wichtig.“ Ruppaner dankte am Schluss dem ganzen Team für die tolle Organisation und Betreuung der Gäste.

Ein besonderer Höhepunkt war die Farewell-Party zum Abschluss des Besuchs, zu der über 70 Gäste kamen. Unser herzlicher Dank gilt allen Gastgeberinnen und Gastgebern, dem engagierten Organisationsteam sowie allen Teilnehmenden an den Veranstaltungen für ihr großes Engagement! Am kommenden Sonntag, 13.07.2025, wollen wir am Stütziesfest auf dem Vereinsgelände des Obst- und Gartenbauvereins (OGV) in Echterdingen (Bohnackerstr. 11) teilnehmen.
